## Transit of Venus

Venus passes between Sun and Earth  
Tuesday, June 5  
5:04 pm - 8:37 pm (sunset)  
Next transit visible on Earth is 2117

## Governor Dodge State Park

Twin Valley Picnic Area  
Free (current park sticker required)  
935-2315 for more info

## Iowa County Astronomers

- Iowa County Astronomers ([icastro.org](http://icastro.org)) and [Solar System Ambassador](#) John Heasley will have telescopes set up for safe solar viewing.
- As always, staring at the Sun w/o protection will cause eye damage. See [sunearthday.nasa.gov](http://sunearthday.nasa.gov) for more info.
- Enjoy Moon, Mars, Saturn, and spring constellations as the sky darkens after sunset.
